Bachelor of Science in Computer Systems Engineering GPA: 2.7

Ciudad de México

August 2018 - Jun 2025

Oracle ONE Next Education

Remote

August 2022 - October 2022

WORK EXPERIENCE

CENLEX ESIA Zacatenco del Instituto Politécnico Nacional

Community manager and Administrative staff

Ciudad de México

JAN 2021 - DECEMBER 2021

- I served as Community Manager, which consisted primarily of providing support via social media and correspondence, as well as performing administrative tasks such as supporting and maintaining instructional platforms.

Virtual Business

Developer Jr Backend

Remote

July 2022 - MAY 2023

- Developed solutions at the convenience of the business; my primary responsibility has been the migration of .Net databases and projects.

International Youth Foundation

PROFESSIONAL PRACTICES

Remote

Jan 2022 - April 2022

- Performed professional practices with the Google IT Technology Support program, which consists of a series of activities, short exercises, and exams for certification.

TECNOLOCHICAS

AMBASSADOR

Remote

September 2022 - Present

- As an ambassador for Tecnolochicas with the Televisa and Becalas Foundation, I impart practical knowledge on the STEAM world to high school and middle school girls, teaching them the creation of web pages and mobile applications for their professional development and the significance of women in this field. They are also inspired and taught the fundamentals of technology.
